YOUR SEASON TICKET HOLDER BENEFITS

- 
- **A Substantial Savings:** Looking to maximize your investment and save money? Season Ticket Holders enjoy a \$5-\$100 discount per ticket (depending on the seat location) from single game ticket prices.
 - **The Right to Purchase Playoff Tickets:** Worried about securing tickets for the next play-off run? Don't want to be shut out of the hottest ticket in town? Full Season Ticket Holders can purchase their same seats for all 16 home playoff games. All 11-Game Season Ticket Holders can purchase seats to 4 of the 16 home playoff games in comparable seats.
 - **ClickTix:** Designed exclusively for Season Ticket Holders, ClickTix enables you to re-sell your season tickets at face value or above to other fans. You have two options to receive the money: your money can be applied to the bank account of your choice approximately 3-4 weeks after your tickets are sold, or it can be applied as a deposit towards your playoff tickets (should the Bulls qualify) or season tickets for the following year. With ClickTix you can also email season tickets and parking passes to friends, family or clients with the click of a mouse, and at no charge! Your season tickets never have to go unused and you avoid the hassles of overnight and in-person delivery. You can also use ClickTix to update portions of your account record, make season and playoff ticket payments, and track your ticket usage. To take advantage of these conveniences, simply visit Bulls.com/ClickTix.
 - **Guaranteed Seats to Every Sold-Out Game:** Nothing can top peace of mind! With sell-outs still a common occurrence, you are assured the same seats for every game.
 - **Premium Items:** Almost every premium item (hats, bobbleheads, etc.) given away at the gates is mailed during the season (one item per account). Even if you arrive late or miss a game, this ensures that the giveaways get into the hands of our most valued fans!
 - **“Backstage” Tours:** Go behind the scenes of the United Center. Walk on the same court where the Bulls play and visit the locker room where the celebrations took place. Notification of specific tour dates are sent to all Season Ticket Holders mid-way through the season.

Your participation is limited to once per season to accommodate as many Season Ticket Holders as possible.

OUR COMMUNITY AND FAN SERVICES

- Since its inception in 1987, Chicago Bulls Charities has contributed tens of millions of dollars to the community. Created as a vehicle to thank our fans and share with the less fortunate, Chicago Bulls Charities raises funds for a variety of ongoing, worthy causes. The primary objective is to create positive educational and recreational opportunities for children and young people, and help them secure a winning advantage.

Our non-profit foundation is primarily supported through contributions by the Chicago Bulls and funds raised at the following annual events and programs:

- **An Evening with the Chicago Bulls:** Fans are invited to join our players, coaches, announcers and staff for a very special dinner and sports memorabilia auction, held in the spring. Throughout this exciting and intimate evening fans have the opportunity to meet, mingle and dine with their favorite players and coaches.
- **Fantasy Experiences:** The Bulls are offering to help make your ultimate sports fantasy come true through the Fantasy Experiences program. By purchasing one of our pre-designed fantasy packages or proposing a creation of your own, you can experience privileges that have, until now, only been available to those working in the NBA. For more information, please call (312) 455-4161 or email fantasy@bulls.com.
- **Appearances:** When schedules permit, our players, coaches and executives make public appearances for charity benefits, hospitals, autograph sessions, speaking engagements and other events. Players visit various non-profit organizations to conduct clinics, speak with kids and spend time with our young fans. Benny the Bull, the Luvabulls and the IncrediBulls make hundreds of personal appearances each year. They are often seen around town attending community parades, walk-a-thons, school assemblies, hospital visits, private parties, company events, golf outings, fundraising benefits and more.

• **Bob Love:** Former player Bob Love, currently our Director of Community Affairs, is a popular motivational speaker. He is available free-of-charge to schools and social service agencies to deliver his inspirational message about overcoming a speech handicap and his life as a professional athlete. Bob makes more than 300 appearances every year at schools, charity events, clinics, non-profit groups and youth programs.

• **Memorabilia Auctions:** Throughout the year we host weekly online memorabilia auctions. Fans can own a piece of our history by placing bids on a variety of items. The auctions are accessible at Bulls.com. Additionally, in-game memorabilia auctions (near section 104) are held during the 41 regular-season home games.

• **50/50 Raffle:** The 50/50 raffle benefits many worthy causes. Raffle tickets are sold at each home game. In the fourth quarter one lucky winner takes home 50 percent of the net earnings from that evening's ticket sales. The other 50 percent benefits Chicago Bulls Charities.

For accounts listed under a company address, the contact name can be changed if the request is made in writing, on company letterhead, and signed

by an officer of the company. Season tickets are not transferable to a non-family member or another company. All requests for changes should be mailed to: Chicago Bulls, 1901 West Madison Street, Chicago, IL 60612-2459, Attention: Ticket Department. The Bulls reserve the right to approve all requests for changes.

- **What if my tickets are lost or stolen?:** Replacement tickets can only be requested by the Season Ticket Holder of record. If tickets were stolen, please fax a copy of the police report to the ticket office at 312-455-4195, and replacement tickets will be issued for the stolen game(s). Replacement tickets can also be issued for lost tickets. Once replacement tickets have been issued, the bar codes on the original tickets become void and will not be honored at the gates. Guests who arrive with the original tickets will be questioned by security and subject to removal from the building. If you have any questions, please call the ticket office at 312-455-4000.

- **How does  work?:** For your convenience, and to maximize the value of your season seats, tickets for any game can be forwarded for free by email up to one hour in advance of game time. Simply visit Bulls.com/ClickTix, then enter your email address or account ID, along with your password. (Your account number can be found on your season ticket renewal invoice, and has been forwarded on many pieces of correspondence.) Easy instructions will follow from there. The party who receives your email can print your tickets from any computer to any standard printer. Once your tickets are forwarded, the bar codes on your original tickets become cancelled (and will not be honored at the gates). You can also track your ticket usage, update portions of your account profile or make payments. If you need assistance with ClickTix, or if you cannot find your account ID and password, please call 312-455-4000 and ask for a Ticket Executive.

- **Can I re-sell my tickets?:** Season Ticket Holders can sell their tickets on NBATickets.com. NBATickets.com offers Season Ticket Holders and fans an official and secure forum for selling and buying tickets online and gives Season Ticket Holders a stake in the thriving secondary market. Simply visit Bulls.com/ClickTix and log into your personal account using your ID and password. From there simply follow the instructions. If your tickets are re-sold, your original tickets become void, and you have two options to receive the money: it can be applied to the bank account of your choice approximately 3-4 weeks after your tickets are sold, or it can be applied as a deposit towards your playoff tickets (should the Bulls qualify) or season tickets for the following year. If you have any questions regarding this process,

follow the online demonstration at TicketExchange, or call 312-455-4000 and ask for a Ticket Executive.

- **Ticket Partners at Bulls.com:** Ticket Partners provides free web-based access to fans who are interested in sharing in a season ticket package. The Matcher Service helps existing Season Ticket Holders find cost-sharing partners. Another benefit is the Drafting Service. This tool makes it easy for groups to distribute and manage their season tickets. For more information, visit Bulls.com/ticketpartners.

- **How can I improve my seats?:** We take the seat improvement process very seriously. Seat improvement questionnaires are emailed to every Season Ticket Holder in March or April. Your upgrade preferences become a permanent part of your account record.

Seat improvements are processed once annually and begin immediately after season ticket renewals are completed. Improvements can only be made after we know what seats become available. Season Ticket Holders who request an improvement are gradually moved lower and/or more center in a “domino” process. Although we try to accommodate as many requests as possible, seat improvements are sometimes difficult to make. For example, if the renewal rate is close to 100%, improvements are rarely possible. Likewise, if a Season Ticket Holder already has very good seats, improvements are difficult to make because cancellations rarely come from the very best seats. However, every effort is made to improve as many seats as possible before new season tickets are sold.

- **How do I report abusive or unruly fans?:** Use the United Center’s Fan Assist program. If you observe inappropriate behavior near your seats—obscene language, drunkenness, fighting, smoking, etc.—please alert United Center security by texting: `ucassist <space> followed by the section and row where the problem is occurring, and a brief description of the issue to 69050`. Your phone number and identity will remain strictly confidential. Once your text has been sent, you will receive a bounce-back message confirming receipt. United Center security personnel will then respond to your location to issue the appropriate warning(s). If the problem continues, security will take further action, which may include removing the unruly fan(s) from the building. Participation in this service is free of charge but standard carrier text messaging and data charges will apply. To quit, text STOP to 69050.

• **What is the Chicago Bulls Charities Return Ticket Program?:** A popular option for Season Ticket Holders is to donate tickets to the Chicago Bulls Charities Return Ticket Program which shares tickets with schools and local charity organizations. Tickets should be donated to the Community Relations Department at least 48 hours before game time. To donate tickets, please call and ask for Community Relations at 312-455-4000, or mail your tickets to our office, Attn: Chicago Bulls Charities Return Ticket Program. Tickets can also be donated by email. Visit Bulls.com/ClickTix at and forward your tickets by email to: cr@bulls.com. All donations will be recognized with a receipt from Chicago Bulls Charities.

• **Why are season ticket renewals processed so early?:** The entire renewal process involves many time consuming steps. The ultimate goal is to get tickets into the hands of Season Ticket Holders in plenty of time before the first home pre-season game. To meet that goal, it is necessary to begin the process early:

- It takes a considerable amount of time to receive, update and process thousands of account payments.
- After determining each season ticket account's status-renewed or cancelled-the seat upgrade process begins with the available seating. This is a very time-consuming process which takes many weeks to finish. After that, a few more weeks are needed to contact account holders about the improvement process.
- After renewals and upgrades are completed, the process of selling new season, group and single game tickets begins. That cannot start until it's determined what season ticket accounts have been renewed, and until after seat improvements are completed.
- Finally, it takes many weeks for all season tickets and related materials to be printed, packaged and shipped to all Season Ticket Holders.

• **How can I obtain a player's autograph?:** Due to tremendous demand, autographs can be very difficult to obtain, especially for star players. The best opportunity to obtain autographs is at the annual An Evening with the Chicago Bulls, held in the spring. All proceeds from the event benefit Chicago Bulls Charities, and all the players and coaches are in attendance to mingle with the guests. Autographs can sometimes be obtained by writing to your favorite players, care of Chicago Bulls, 1901 W. Madison St., Chicago, IL 60612-2459.

• What are the procedures for playoff tickets?: There are four playoff rounds. With home court advantage, the Bulls could play four home games in the First Round, four home games in the Conference Semifinals, four home games in the Conference Finals, and four home games in the NBA Finals for a total of 16 possible home games. Tickets are lettered Home Game A-D (four possible home games) in each round because game dates, times and opponents are not known at the time tickets are printed. When we bill for playoff tickets we must prepare for the maximum amount of possible games.

• How are playoff ticket refunds handled?: For money to unplayed playoff games, Season Ticket Holders can request a refund (indicating they intend to cancel their season tickets for the future), or they can apply the money as a non-refundable deposit towards the next year's season tickets. On all playoff ticket invoices, Season Ticket Holders are given the option of a refund (if they are cancelling their season tickets) or deposit. A credit for the deposit will automatically be reflected on the season ticket renewal invoice. Season ticket renewal invoices are mailed within ten days of the last playoff game.
